Oregon State University is hosting the following training for anyone involved or interested in furthering their expertise in the Incident Command System.

Intermediate ICS-400 Command and General Staff – Complex Incidents MGT905 - 14.00 Hours

Course Description: Enhance your Incident Command skills, with a special focus on new concepts of the Incident Command System (ICS). The training and resources provided in this course will assist personnel who require advanced application of the ICS. The course will also benefit any person who has a responsibility to function in a command post managing an expanding incident.

This course builds upon information covered in the ICS-100, ICS-200, and ICS-300 courses and explains the roles and responsibilities of local, county, state, and federal agencies involved in managing an expanding incident.

You will participate in group activities that introduce the use of an Incident Complex and Area Command, and the interactions between Multi-Agency Coordination (MAC) entities.

Date/Time: November 14 & 15, 2017, 8:00 am – 5:00 pm

Obtain a FEMA Student Identification Number

- **Federal Student Identification (SID) is required for each student.** DHS/FEMA has directed the implementation of the Federal SID for all HSNTF granted funded participants. If you have attended a federal training in the past 18-24 months you may already have SID #; if so select the option “Forgot Your FEMA SID?”.
- **The procedure for obtaining a SID number:**
 1. To register, go to <https://cdp.dhs.gov/femasid>
 2. Click on the "Register for a FEMA SID" button near the top the screen.
 3. Follow the instructions and provide the necessary information to create your account.
 4. You will receive an email with your SID number. You should save this number in a secure location.
